Required Prerequisites and Student Equipment

- **To be eligible to take the GLOCK NVG Operator Course, you must meet one of the following requirements: Active/Retired law enforcement / Military, Private security or Government Contractor.**
- The student will provide Night Vision Device with Helmet or Head Mounting System.
- The student will provide a pistol mounted light source.
- The student will provide a belt or vest mounted handheld light source.
- The student will provide a GLOCK pistol with Sights Mounted and Zeroed, with no modification other than sights or external cosmetics. Pistols with modifications that could render the pistol less safe than it was originally produced are not allowed.
- The student will provide a strong side, belt supported holster which covers the trigger and trigger guard. Duty holsters are highly encouraged, but not required.
- The student will provide a magazine carrier(s) with or without flaps, capable of carrying two magazines.
- The student will provide a minimum of 3 magazines.
- The student will provide a belt capable of supporting the weight of the holster, pistol, and magazines.
- The student will provide eye protection and hearing protection.
- The student will provide 1,000 rounds of factory loaded ammunition of the proper caliber.
